On December 22, 2022, TMC the metals company Inc. (the “Company”) entered into an At-The-Market Equity Distribution Agreement (the “Agreement”) with Stifel, Nicolaus & Company, Incorporated and Wedbush Securities Inc., as sales agents (the “Agents”), pursuant to which the Company may, from time to time, issue and sell its common shares, without par value, with an aggregate offering price of up to \$30 million (the “Shares”) through the Agents.

The offer and sales of the Shares made pursuant to the Agreement, if any, will be made under the Company’s effective “shelf” registration statement on Form S-3 (File No. 333-267479) filed with the U.S. Securities and Exchange Commission (the “SEC”) on September 16, 2022, as amended, and declared effective by the SEC on October 14, 2022, the base prospectus contained therein, and a prospectus supplement related to the offering of the Shares dated December 22, 2022.

Under the terms of the Agreement, the Agents may sell the Shares at market prices by any method that is deemed to be an “at the market offering” as defined in Rule 415 under the Securities Act of 1933, as amended.

Subject to the terms and conditions of the Agreement, the Agents will use their commercially reasonable efforts to sell the Shares from time to time, based upon the Company’s instructions. The Company has no obligation to sell any of the Shares, and may at any time suspend sales under the Agreement or terminate the Agreement in accordance with its terms. The Company has provided the Agents with customary indemnification rights, and the Agents will be entitled to a fixed commission of up to 3.0% of the aggregate gross proceeds from the Shares sold. The Agreement contains customary representations and warranties, and the Company is required to deliver customary closing documents and certificates in connection with sales of the Shares. The Company has agreed to reimburse the Agents for the fees and disbursements of its counsel, payable upon execution of the Agreement, in an amount not to exceed \$75,000 in connection with the establishment of this at-the-market offering program.

As to various questions of fact material to the opinions provided herein, we have relied upon the Officer’s Certificate. 3. that the Officer's Certificate continues to be accurate on the date hereof;
4. that all necessary consents, authorizations, approvals, permits or certificates (governmental or otherwise) which are required as a condition to the execution and delivery of each of the Transaction Documents by the parties thereto and to the consummation by such parties of the transactions contemplated thereby have been obtained;

**D. Reliance**

For the purposes of expressing the opinions set forth herein, in connection with certain factual matters pertaining to this opinion, we have relied exclusively and without independent investigation upon the Officer's Certificate.

**E. Opinions**

Based upon and relying on the foregoing and the qualifications hereinafter expressed, we are of the opinion that the Offered Shares have been authorized for issuance and when issued and delivered against payment therefor in accordance with the terms of the Distribution Agreement, the Constatting Documents and the Authorizing Resolutions with certificates representing such Offered Shares having been duly executed, countersigned, registered and delivered or, if uncertificated, valid book-entry notations therefor having been made in the central securities register of the Corporation, in accordance with the terms of the Distribution Agreement, the Offered Shares will be validly issued, fully paid and non-assessable.

**F. Qualifications**

Whenever our opinion refers to securities of the Corporation, whether issued or to be issued, as being "fully-paid and non-assessable", such phrase means that the holders of such securities will not, after the issuance to them of such securities, be liable to pay further amounts to the Corporation in respect of the issue price payable for such securities, and no opinion is expressed as to the adequacy of any consideration received by the Corporation therefor or as to the actual receipt by the Corporation of any consideration for the issuance of such securities.

For greater certainty, a specific assumption, limitation or qualification in this opinion is not to be interpreted to restrict the generality of any other assumption, limitation or qualification expressed in general terms in this opinion that includes the subject matter of the specific assumption, limitation or qualification.

We hereby consent to the reference to us under the heading "*Legal Matters*" in the Prospectus and to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 or Section 11 of the Act or the rules and regulations of the Commission promulgated thereunder.

The opinions are given as at the date hereof and we disclaim any obligation or undertaking to advise any person of any change in law or fact that may come to our attention after the date hereof. Our opinions do not take into account any proposed rules, policies or legislative changes that may come into force following the date hereof.

Ladies and Gentlemen:

TMC the metals company Inc., a company existing under the laws of the Province of British Columbia (the “Company”), proposes, subject to the terms and conditions stated herein, to issue and sell from time to time to or through Stifel, Nicolaus & Company, Incorporated (“Stifel Nicolaus”) or Wedbush Securities Inc. (“Wedbush,” and together with Stifel Nicolaus, the “Agents”), in each case, as sales agent and/or principal, shares (the “Shares”) of the Company’s common shares, without par value (the “Common Shares”), having an aggregate offering price of up to US\$30,000,000 on the terms set forth in Section 2 of this At-The-Market Equity Distribution Agreement (the “Agreement”). The Company agrees that whenever it determines to sell Shares directly to an Agent as principal, it will enter into a separate agreement with such Agent (each, a “Terms Agreement”) in substantially the form of Annex 1 hereto, relating to such sale in accordance with Section 3 of this Agreement. Certain initially capitalized terms used herein are defined in Section 19 of this Agreement.

Section 1. Representations and Warranties. The Company represents and warrants to the Agents that, as of the Commencement Time and on each Representation Date (as defined in Section 3(k) below), each Applicable Time (as defined in Section 19 below), and each Settlement Date (as defined in Section 2(a) below):

(a) Compliance with Registration Requirements. The Company has prepared and filed with the Commission a registration statement on Form S-3 (File No. 333-267479), including a related Base Prospectus, under the 1933 Act, in respect of the Common Shares (including the Shares) (collectively, the “Securities”), and any pre-effective amendment thereto. Such Registration Statement has become effective. The initial Effective Date of the Registration Statement was not earlier than the date three years before the Commencement Time. No stop order suspending the effectiveness of the Registration Statement or any part thereof has been issued and no proceeding for that purpose has been initiated or, to the knowledge of the Company, threatened by the Commission. The Company has prepared and filed with the Commission the Prospectus Supplement to the Base Prospectus specifically relating to the Shares prepared and filed with the Commission pursuant to Rule 424(b) under the 1933 Act. Any reference herein to the Registration Statement, the Base Prospectus, the Prospectus Supplement, or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act; any reference herein to any amendment or supplement to the Base Prospectus, the Prospectus Supplement, or the Prospectus shall be deemed to refer to and include any post-effective amendment to the Registration Statement, any prospectus supplement relating to the Shares filed with the Commissions pursuant to rule 424(b) under the 1933 Act and any documents filed under the 1934 Act and incorporated therein, in each case after the date of the Base Prospectus, the Prospectus Supplement or the Prospectus, as the case may be; any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the 1934 Act after the effective date of the Registration Statement that is incorporated by reference in the Registration Statement. To the extent that the Company elects to file a successor registration statement with respect to the Shares, after the effectiveness of any such registration statement, all references to “Registration Statement” included in this Agreement shall be deemed to include such new registration statement, including all documents incorporated by reference therein pursuant to Item 12 of Form S-3, and all references to “Base Prospectus” included in this Agreement shall be deemed to include the final form of prospectus, including all documents incorporated therein by reference, included in any such registration statement at the time such registration statement became effective.

---

At the Commencement Time, on each Effective Date, at each Applicable Time, at each Settlement Date and at all times during which a prospectus is required by the 1933 Act to be delivered (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 or any similar rule) in connection with any offer or sale of Shares, the Registration Statement complied and will comply in all material respects with the applicable requirements of the 1933 Act and did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and on the date of any filing pursuant to Rule 424(b), at the Commencement Time, at each Applicable Time, on each Settlement Date and at all times during which a prospectus is required by the 1933 Act to be delivered (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 or any similar rule) in connection with any offer or sale of Shares, the Prospectus (or any supplement thereto) complied and will comply in all material respects with the applicable requirements of the 1933 Act and did not and will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by the Agents specifically for inclusion in the Registration Statement or the Prospectus (or any supplement thereto).

At the Commencement Time, at each Applicable Time and at each Settlement Date, the General Disclosure Package will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the General Disclosure Package based upon and in conformity with written information furnished to the Company by the Agents specifically for use therein.

---

(b) Incorporation of Documents by Reference. The documents incorporated or deemed to be incorporated by reference in the Registration Statement and the Prospectus, when they became effective or were filed with the Commission, as the case may be, complied in all material respects with the 1934 Act and, when read together with the other information in the Registration Statement and the Prospectus at the Commencement Time and at the time the Prospectus was issued, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

All of the Company's subsidiaries as of the date of this Agreement are set forth in Exhibit 21.1 of the Company's most recently filed Annual Report on Form 10-K.

Sales of the Shares, if any, through a Designated Agent acting as sales agent or directly to an Agent acting as principal may be made in negotiated transactions or transactions that are deemed to be “at the market offerings” as defined in Rule 415 under the 1933 Act, including sales made directly on the Nasdaq, or sales made to or through a market maker other than on an exchange or through an electronic communications network.

---

(b) The Shares are to be sold on a daily basis or otherwise as shall be agreed to by the Company and the Designated Agent on any day that (A) is a trading day for the Nasdaq (other than a day on which the Nasdaq is scheduled to close prior to its regular weekday closing time, each, a “Trading Day”), (B) that the Company has satisfied its obligations under Section 6 of this Agreement and (C) that the Company has instructed an Agent to make such sales. For the avoidance of doubt, the foregoing limitation shall not apply to sales solely to employees or securityholders of the Company or its subsidiaries, or to a trustee or other person acquiring such securities for the accounts of such persons in which such the Designated Agent is acting for the Company in a capacity other than as the Designated Agent under this Agreement. On any Trading Day, the Company, through its Chief Executive Officer or Chief Financial Officer (each, an “Authorized Representative”), may instruct the Designated Agent by telephone (confirmed promptly by email by any of the Authorized Representatives and shall be addressed to each of the individuals from the Designated Agent set forth on Schedule 1 which confirmation will be promptly acknowledged by the Designated Agent) as to the maximum number of Shares to be sold by the Designated Agent on such day (in any event not in excess of the number available for issuance under the Prospectus and the currently effective Registration Statement) and the minimum price per Share at which such Shares may be sold. Subject to the terms and conditions hereof, the Designated Agent shall use its commercially reasonable efforts to sell as sales agent all of the Shares so designated by the Company. The Company and the Designated Agent each acknowledge and agree that (A) there can be no assurance that the Designated Agent will be successful in selling the Shares, (B) the Designated Agent will incur no liability or obligation to the Company or any other person or entity if it does not sell Shares for any reason other than a failure by the Designated Agent to use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable law and regulations to sell such Shares as required by this Agreement, and (C) the Designated Agent shall be under no obligation to purchase Shares on a principal basis except as otherwise specifically agreed by either Agent and the Company pursuant to a Terms Agreement. In the event of a conflict between the terms of this Agreement and the terms of a Terms Agreement, the terms of such Terms Agreement will control.

(c) Notwithstanding the foregoing, the Company shall not authorize the issuance and sale of, and the Designated Agent as sales agent shall not be obligated to use its commercially reasonable efforts to sell, any Shares pursuant to this Agreement (i) at a price lower than the minimum price therefor authorized from time to time, or (ii) in a number in excess of the number or maximum aggregate dollar value of Shares, in each case, authorized from time to time to be issued and sold under this Agreement, in each case, by the Company’s board of directors, or a duly authorized committee thereof, or any individual to whom such authority has been duly and properly delegated by the Company’s board of directors or a duly authorized committee thereof, and notified to the Designated Agent in writing. The Agents shall not make any sales or offers to sell Shares before the Commencement Time. In addition, the Company may, upon notice to the Designated Agent, suspend the offering of the Shares, or the Agents may, upon notice to the Company, suspend the offering of the Shares with respect to which the Designated Agent is acting as sales agent, for any reason and at any time; *provided, however*, that such suspension or termination shall not affect or impair the parties’ respective obligations with respect to the Shares sold hereunder prior to the giving of such notice. Any notice given pursuant to the preceding sentence, and the Company’s notice of the Commencement Time, may be given by telephone (confirmed promptly by telecopy or email, which confirmation will be promptly acknowledged).

---

(d) The gross sales price of any Shares sold pursuant to this Agreement by the Designated Agent acting as sales agent of the Company shall be the market price prevailing at the time of sale for the Common Shares sold by the Designated Agent on the Nasdaq or otherwise, at prices relating to prevailing market prices or at negotiated prices. The compensation payable to the Designated Agent for sales of Shares with respect to which the Designated Agent acts as sales agent shall be equal to up to 3.0% of the gross sales price of the Shares for amounts of Shares sold pursuant to this Section 2(d). The Company may sell Shares to an Agent, acting as principal, at a price agreed upon with such Agent at the relevant Applicable Time and pursuant to a separate Terms Agreement, in which case, for the avoidance of doubt, the foregoing rate shall not apply. The remaining proceeds after the foregoing compensation payable to the Agents and after further deduction for any transaction fees imposed by any governmental, regulatory or self-regulatory organization in respect of such sales (the "Transaction Fees"), shall constitute the net proceeds to the Company for such Shares (the "Net Proceeds"). Such Agent shall notify the Company as promptly as practicable if any deduction referenced in the preceding sentence will be required. The Agents shall provide statements to the Company from time to time reflecting the gross sales price of Shares, Agent compensation and any Transaction Fees.

(e) If acting as a sales agent hereunder, the Designated Agent shall provide written confirmation to the Company following the close of trading on the Nasdaq, each day in which Shares are sold under this Agreement setting forth the number of Shares sold on such day, the aggregate gross sales proceeds of the Shares, the Net Proceeds to the Company and the compensation payable by the Company to such Designated Agent with respect to such sales.

(f) Under no circumstances shall the aggregate offering price or number, as the case may be, of Shares sold pursuant to this Agreement and any Terms Agreement exceed the aggregate offering price or number, as the case may be, of Common Shares (i) set forth in the preamble paragraph of this Agreement, (ii) available for issuance under the Prospectus and the then currently effective Registration Statement or (iii) authorized from time to time to be issued and sold under this Agreement or any Terms Agreement by the Company's board of directors, or a duly authorized committee thereof, and notified to the Designated Agent in writing. In addition, under no circumstances shall any Shares with respect to which the Designated Agent acts as sales agent be sold at a price lower than the minimum price therefor authorized from time to time by the Company's board of directors, or a duly authorized committee thereof, and notified to the Designated Agent in writing.

(g) Settlement for sales of Shares pursuant to this Section 2(g) will occur on the second Business Day that is also a Trading Day following the trade date on which such sales are made, unless another date shall be agreed to by the Company and the Designated Agent (each such day, a "Settlement Date"). On each Settlement Date, the Shares sold through the Designated Agent for settlement on such date shall be delivered by the Company to the Designated Agent against payment of the Net Proceeds from the sale of such Shares. Settlement for all Shares shall be effected by book-entry delivery of Shares to the Designated Agent's account at The Depository Trust Company against payments by the Designated Agent of the Net Proceeds from the sale of such Shares in same day funds delivered to an account designated by the Company. If the Company shall default on its obligation to deliver Shares on any Settlement Date, the Company shall (i) indemnify and hold the Designated Agent harmless against any loss, claim or damage arising from or as a result of such default by the Company and (ii) pay the Designated Agent any commission to which it would otherwise be entitled absent such default.

---

(h) The Agents hereby covenant and agree not to make any sales of the Shares on behalf of the Company, pursuant to this Section 2, other than as shall be permitted by law and agreed upon by the Company and the Agents.

(i) At each Applicable Time, Settlement Date and Representation Date, the Company shall be deemed to have affirmed each representation and warranty contained in this Agreement, modified as necessary to relate to the Registration Statement and the Prospectus as amended as of such date. Any obligation of the Designated Agent to use its commercially reasonable efforts to sell the Shares on behalf of the Company as sales agent shall be subject to the continuing accuracy of the representations and warranties of the Company herein, to the performance by the Company of its obligations hereunder and to the continuing satisfaction of the additional conditions specified in Section 6 of this Agreement.

(j) Notwithstanding any other provision of this Agreement, the Company and the Agents agree that no sales of Shares shall take place, and the Company shall not request the sale of any Shares that would be sold, and the Agents shall not be obligated to sell, during any period in which the Company is in possession of material non-public information. The Company agrees that any offer to sell, any solicitation of an offer to buy, or any sales of Shares pursuant to this Agreement shall only be effected by or through an Agent, and only a single Agent, on any single given date, and in no event shall the Company request that more than one Agent sell securities on the same day.

(k) The Agents acknowledge that the Company is not a reporting issuer in any Province or Territory of Canada and the Common Shares have not been registered or qualified by prospectus for distribution in any Province or Territory of Canada, and are not eligible for sale or resale in Canada. The Agents agree that it will not sell, offer to sell or solicit offers to purchase Common Shares in Canada, or to or from persons resident in any Province or Territory of Canada or to or from any person acquiring such Common Shares for the benefit of another person resident in any Province or Territory of Canada, including under a Terms Agreement. The Agents shall not sell, offer to sell or solicit offers to purchase Common Shares so as to require registration thereof or the filing of a prospectus or similar document with respect thereto under the laws of any jurisdiction other than the United States.

Section 3. Covenants. The Company agrees with the Agents:

(a) During any period when the delivery of a prospectus is required in connection with the offering or sale of Shares pursuant to this Agreement (whether physically or through compliance with Rule 153 or 172, or in lieu thereof, a notice referred to in Rule 173(a) under the 1933 Act), to make no further amendment or any supplement to the Registration Statement or the Prospectus (other than any amendment or supplement which does not relate to the sale of the Shares and not including any reports or documents and any preliminary or definitive proxy or information statement required to be filed by the Company with the Commission in order to comply with the 1934 Act) unless the Company has furnished to the Agents a copy for their review a reasonable time period prior to filing and will not file any such proposed amendment or supplement to which the Agents reasonably object. At the Commencement Time, the Company will have filed the Prospectus, in a form approved by the Agents, with the Commission pursuant to the applicable paragraph of Rule 424(b) by the Commencement Time and will cause any supplement to the Prospectus to be properly completed, in a form approved by the Agents, and will file such supplement with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed thereby and will provide evidence satisfactory to the Agents of such timely filing. The Company will promptly advise the Agents (i) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, during any period when the delivery of a prospectus (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 or any similar rule) is required under the 1933 Act in connection with the offering or sale of the Shares, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or for any supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement, at the Company's expense (references herein to the Registration Statement shall include any such amendment or new registration statement).

---

(b) Promptly from time to time to take such action as the Agents may reasonably request to qualify the Shares for offering and sale under the securities laws of such jurisdictions as the Agents may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the sale of the Shares, provided that in connection therewith the Company shall not be required to (i) qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction or (ii) qualify the Shares in any jurisdiction other than the United States of America and any state therein; and to promptly advise the Agents of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for offer or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(c) During any period when the delivery of a prospectus is required (whether physically or through compliance with Rules 153 or 172, or in lieu thereof, a notice referred to in Rule 173(a) under the 1933 Act) in connection with the offering or sale of Shares, the Company will make available to the Agents, as soon as practicable after the Commencement Time, and thereafter from time to time furnish to the Agents, electronic copies of the most recent Prospectus in such quantities and at such locations as the Agents may reasonably request for the purposes contemplated by the 1933 Act.

(d) During any period when the delivery of a prospectus is required (whether physically or through compliance with Rules 153 or 172, or in lieu thereof, a notice referred to in Rule 173(a) under the 1933 Act) in connection with the offering or sale of Shares, and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the 1934 Act any document incorporated by reference in the Prospectus in order to comply with the 1933 Act or the 1934 Act, to notify the Agents and to file such document and to prepare and furnish without charge to the Agents as many written and electronic copies as the Agents may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance.

---

(e) To make generally available to its securityholders as soon as practicable an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the 1933 Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158).

(f) To use the Net Proceeds received by it from the sale of the Shares pursuant to this Agreement and any Terms Agreement in the manner specified in the General Disclosure Package.

(g) In connection with the offering and sale of the Shares, the Company will file with the Nasdaq all documents and notices, and make all certifications, required by the Nasdaq of companies that have securities that are listed or quoted on the Nasdaq and will maintain such listings or quotations.

(h) To not take, directly or indirectly, and to cause its affiliates to refrain from taking, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the 1934 Act or otherwise, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Shares.

(i) At each Applicable Time, each Settlement Date and each Representation Date, the Company shall be deemed to have affirmed each representation, warranty, covenant and other agreement contained in this Agreement or any Terms Agreement (except that such representations, warranties, covenants and other agreements shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented relating to such Shares).

(j) In each Annual Report on Form 10-K or Quarterly Report on Form 10-Q filed by the Company in respect of any quarter in which sales of Shares were made by or through the Agents under this Agreement or any Terms Agreement, the Company shall set forth with regard to such quarter the number of Shares sold through the Agents under this Agreement or any Terms Agreement and the Net Proceeds received by the Company with respect to sales of Shares pursuant to this Agreement or any Terms Agreement.

---

(k) Upon the Commencement Time (and upon any subsequent recommencement of the offering of the Shares under this Agreement following the termination or a suspension of sales hereunder) and each time after the Commencement Time that (i) the Shares are delivered to an Agent as principal pursuant to a Terms Agreement, (ii) the Registration Statement or the Prospectus shall be amended or supplemented (other than (1) by an amendment or supplement providing solely for the determination of the terms of the Shares, (2) in connection with the filing of a prospectus supplement filed pursuant to Section 3(a) hereof, (3) any amendment or supplement effected by the filing with the Commission of any document incorporated by reference therein (other than any current reports on Form 8-K that contain financial statements, supporting schedules or other financial data, including any current report on Form 8-K under Item 2.02 of such form that is considered “filed” instead of “furnished” under the 1934 Act) or (4) by a prospectus supplement relating to the offering of other securities (including, without limitation, other Common Shares)), (iii) the Company shall file an Annual Report on Form 10-K or a Quarterly Report on Form 10-Q, or (iv) otherwise as the Agents may reasonably request (such Commencement Time or recommencement date and each such date referred to in clauses (i), (ii), (iii), and (iv), excluding any date occurring during the suspension of sales hereunder, a “Representation Date”), the Company will furnish or cause to be furnished within two (2) Business Days thereafter to the Agents a certificate in a form reasonably satisfactory to the Agents to the effect that the statements contained in the certificate referred to in Section 6(e) of this Agreement which were last furnished to the Agents are true and correct at the time of such Representation Date, as though made at and as of such time (except that such statements shall be deemed to relate to the Registration Statement, the General Disclosure Package and the Prospectus as amended and supplemented to such time) or, in lieu of such certificate, a certificate of the same tenor as the certificate referred to in said Section 6(e), but modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented, or to the document incorporated by reference into the Prospectus, to the time of delivery of such certificate. The requirement to provide a certificate under this Section 3(k) shall be waived for any Representation Date occurring at a time at which no instruction by the Company to the Agents to sell Shares under this Agreement is in effect, which waiver shall continue until the earlier to occur of the date the Company delivers an instruction to the Agents to sell Shares pursuant to Section 2(a) hereof (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date for which no such waiver is made; provided, however, that the Company may elect, in its sole discretion, to provide a certificate under this Section 3(k) notwithstanding the fact that no instruction by the Company to the Agents to sell Shares under this Agreement is in effect. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following a Representation Date when the Company relied on such waiver and did not provide the Agents with a certificate under this Section 3(k), then before the Company delivers an instruction pursuant to Section 2(a) or the Agents sell any Shares, the Company shall provide the Agents with a certificate of the same tenor as the certificate referred to in Section 6(f) of this Agreement.

(l) Upon the Commencement Time (and upon the recommencement of the offering of the Shares under this Agreement following the termination of a suspension of sales as contemplated herein) and within two (2) Business Days after each Representation Date, the Company will furnish or cause to be furnished to the Agents the written opinion and letter of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., United States counsel to the Company (“U.S. Company Counsel”), and opinion of Fasken Martineau DuMoulin LLP, Canadian counsel to the Company (the “Canadian Company Counsel”) or other counsel reasonably satisfactory to the Agents, dated the date of effectiveness of such amendment or the date of filing with the Commission of such supplement or other document, as the case may be, in a form and substance reasonably satisfactory to the Agents, of the same tenor as the opinions and letters referred to in Section 6(c) of this Agreement, but modified as necessary to relate to the Registration Statement, the General Disclosure Package and the Prospectus as amended and supplemented, or to the document incorporated by reference into the Prospectus, to the time of delivery of such opinion and letter or, in lieu of such opinion and letter, counsel last furnishing such letter to the Agents shall furnish such Agents with a letter substantially to the effect that the Agents may rely on such last opinion and letter to the same extent as though each were dated the date of such letter authorizing reliance (except that statements in such last letter shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such letter authorizing reliance). The requirement to provide an opinion and/or letter under this Section 3(l) shall be waived for any Representation Date occurring at a time at which no instruction by the Company to the Agents to sell Shares under this Agreement is in effect, which waiver shall continue until the earlier to occur of the date the Company delivers an instruction to the Agents to sell Shares pursuant to Section 2(a) hereof (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date for which no such waiver is made; provided, however, that each of U.S. Company Counsel and Canadian Company Counsel may elect, in its sole discretion, to provide an opinion and/or letter under this Section 3(l) notwithstanding the fact that no instruction by the Company to the Agents to sell Shares under this Agreement is in effect. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following a Representation Date when the Company relied on such waiver and each of U.S. Company Counsel and Canadian Company Counsel did not provide the Agents with an opinion and/or letter under this Section 3(l), then before the Company delivers an instruction pursuant to Section 2(a) or the Agents sell any Shares, each of U.S. Company Counsel and Canadian Company Counsel shall provide the Agents with an opinion and/or letter of the same tenor as the opinion and/or letter referred to in Section 6(c) of this Agreement.

(m) Upon the Commencement Time (and upon the recommencement of the offering of the Shares under this Agreement following the termination of a suspension of sales as contemplated herein) and within two (2) Business Days after each time after the Commencement Time that (i) the Registration Statement or the Prospectus shall be amended or supplemented to include additional amended financial information, (ii) the Shares are delivered to an Agent as principal pursuant to a Terms Agreement, (iii) the Company files with the Commission a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K, or (iv) at the Agents' request and upon reasonable advance notice to the Company (such commencement date and each such date referred to in (i), (ii), (iii) and (iv) above, an "Auditor Representation Date"), there is filed with the Commission any document which contains financial information incorporated by reference into the Prospectus, the Company will cause Ernst & Young, LLP, or other independent accountants reasonably satisfactory to the Agents (the "Accountants"), to furnish to the Agents a letter, dated the date of effectiveness of such amendment or the date of filing of such supplement or other document with the Commission, as the case may be, in form reasonably satisfactory to the Agents, of the same tenor as the letter referred to in Section 6(d) hereof, but modified as necessary to relate to the Registration Statement, the General Disclosure Package and the Prospectus, as amended and supplemented, or to the document incorporated by reference into the Prospectus, to the date of such letter. The requirement to provide a letter or letters under this Section 3(m) shall be waived for any Auditor Representation Date occurring at a time at which no instruction by the Company to the Agents to sell Shares under this Agreement is in effect, which waiver shall continue until the earlier to occur of the date the Company delivers an instruction to the Agents to sell Shares pursuant to Section 2(a) hereof (which for such calendar quarter shall be considered an Auditor Representation Date) and the next occurring Auditor Representation Date for which no such waiver is made; *provided, however*, that the Company may elect, in its sole discretion, to cause the Accountants to provide the Agents a letter or letters under this Section 3(m) notwithstanding the fact that no instruction by the Company to the Agents to sell Shares under this Agreement is in effect. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following an Auditor Representation Date when the Company relied on such waiver and did not cause the Accountants to provide the Agents with a letter or letters under this Section 3(m), then before the Company delivers an instruction pursuant to Section 2(a) or the Agents sell any Shares, the Company shall cause the Accountants to furnish the Agents a letter or letters, dated the date of the Auditor Representation Date, in form reasonably satisfactory to the Agents, of the same tenor as the letter referred to in Section 6(d) of this Agreement but modified to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter.

(n) [Reserved].

(o) The Company consents to the Agents trading in the Common Shares for Agents' own accounts and for the accounts of their clients at the same time as sales of Shares occur pursuant to this Agreement or any Terms Agreement.

(p) If, to the knowledge of the Company, all filings required by Rule 424 in connection with this offering shall not have been made or the representations in Section 1(a) shall not be true and correct on the applicable Settlement Date, the Company will offer to any person who has agreed to purchase Shares from the Company as the result of an offer to purchase solicited by the Agent the right to refuse to purchase and pay for such Shares.

(q) Within two (2) Business Days after each Representation Date, the Company will conduct a due diligence session, in form and substance satisfactory to the Agents, which shall include representatives of the management and the independent accountants of the Company. The Company will cooperate timely with any reasonable due diligence review conducted by or on behalf of the Agents from time to time in connection with the transactions contemplated hereby or in any Terms Agreement, including, without limitation, and upon reasonable notice providing information and making available documents and appropriate corporate officers, during regular business hours and at the Company's principal offices, as the Agents may reasonably request.

(r) The Company will not, without (i) giving the Agents at least three (3) Business Days' prior written notice specifying the nature of the proposed sale and the date of such proposed sale and (ii) the Agents suspending activity under this program for such period of time as requested by the Company or as deemed appropriate by the Agents in light of the proposed sale, (A) offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, lend or otherwise transfer or dispose of, directly or indirectly, any Common Shares or securities convertible into or exchangeable or exercisable for or repayable with Common Shares, or file any registration statement under the 1933 Act with respect to any of the foregoing (other than a shelf registration statement under Rule 415 under the 1933 Act, a registration statement on Form S-8, or any post-effective amendment to the Registration Statement or any other existing registration statement of the Company) or (B) enter into any swap or other agreement or any transaction that transfers in whole or in part, directly or indirectly, any of the economic consequence of ownership of the Common Shares, or any securities convertible into or exchangeable or exercisable for or repayable with Common Shares, whether any such swap or transaction described in clause (A) or (B) above is to be settled by delivery of Common Shares or such other securities, in cash or otherwise. The foregoing sentence shall not apply to the Company's issuance or sale of (i) Common Shares, options to purchase Common Shares, restricted share units, other equity awards to acquire Common Shares or Common Shares issuable upon the exercise of options or other equity awards, pursuant to any equity incentive or benefits plan, stock ownership plan or dividend reinvestment plan (but not Common Shares subject to a waiver to exceed plan limits in its dividend reinvestment plan) of the Company where now in effect or hereafter implemented, (ii) Common Shares issuable upon conversion of securities or the exercise of warrants, options or other rights in effect or outstanding, and disclosed in filings by the Company available on the Electronic Data Gathering, Analysis, and Retrieval system or otherwise in writing to the Agents, (iii) Common Shares or securities convertible into or exchangeable for Common Shares as consideration for mergers, acquisitions, or other business combinations occurring after the date of this Agreement which are not issued primarily for capital raising purposes and (iv) Common Shares or securities convertible into or exchangeable for Common Shares (A) in connection with strategic transactions, including (1) joint ventures, manufacturing, marketing, OEM, sponsored research, collaboration or distribution arrangements or (2) technology transfer or development arrangements and/or (B) to suppliers or third party service providers in connection with the provision of goods or services, in each case of this clause (iv) which are not issued primarily for capital raising purposes and (v) the Shares to be offered and sold through the Agents pursuant to this Agreement or any Terms Agreement.

---

(s) If immediately prior to the third anniversary (the “Renewal Deadline”) of the initial effective date of the Registration Statement, any of the Shares remain unsold and the Company desires to sell any of such unsold Shares under the terms of this Agreement, the Company will, prior to the Renewal Deadline file, if it has not already done so and is eligible to do so, file a new shelf registration statement relating to the Shares, in a form satisfactory to the Agent, and will use its best efforts to cause such registration statement to be declared effective within 60 days after the Renewal Deadline. The Company will take all other action necessary or appropriate to permit the issuance and sale of the Shares to continue as contemplated in the expired registration statement relating to the Shares. References herein to the Registration Statement shall include such new registration statement.

Section 4. Free Writing Prospectus.

(a) (i) The Company represents and agrees that without the prior consent of the Agents, it has not made and will not make any offer relating to the Shares that would constitute a Free Writing Prospectus; and

(ii) The Agents represent and agree that, without the prior consent of the Company, they have not made and will not make any offer relating to the Shares that would constitute a Free Writing Prospectus required to be filed with the Commission.

(b) The Company has complied and will comply with the requirements of Rule 433 under the 1933 Act applicable to any Issuer Free Writing Prospectus (including any free writing prospectus identified in Section 4(a) hereof), including timely filing with the Commission or retention where required and legending.

Section 5. Payment of Expenses. The Company covenants and agrees with the Agents that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Shares under the 1933 Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, the Base Prospectus, Prospectus Supplement, any Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Agents; (ii) the cost of printing or producing this Agreement or any Terms Agreement, any Blue Sky and Legal Investment Memoranda, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Shares; (iii) all expenses in connection with the qualification of the Shares for offering and sale under state securities laws as provided in Section 3(b) hereof, including the reasonable and documented fees and disbursements of counsel for the Agents in connection with such qualification and in connection with the Blue Sky and Legal Investment Surveys; (iv) any filing fees incident to, and the reasonable and documented fees and disbursements of counsel for the Agents in connection with, any required review by FINRA of the terms of the sale of the Shares; (v) all fees and expenses in connection with listing or quoting the Shares on the Nasdaq; (vi) the cost of preparing the Shares; (vii) the costs and charges of any transfer agent or registrar or any dividend distribution agent; (viii) the reasonable and documented fees and disbursements of counsel to the Agents in an aggregate amount not to exceed US\$75,000; and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. Such expenses set forth in clauses (iii) and (iv) above shall be invoiced in statements from the Agents to the Company, with payment to be made by the Company promptly after its receipt thereof. It is understood, however, that, except as provided in this Section, and Section 7 hereof, the Agents will pay all of their own costs and expenses, including the fees of its counsel, transfer taxes on resale of any of the Shares by it, and any advertising expenses connected with any offers it may make.

Section 6. Conditions of Agents' Obligation. The obligations of the Agents hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company herein or in certificates of any officer of the Company delivered pursuant to the provisions hereof are true and correct as of the Commencement Time, the date of any executed Terms Agreement and as of each Registration Statement Amendment Date, Applicable Time and Settlement Date, to the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus Supplement shall have been filed with the Commission pursuant to Rule 424(b) under the 1933 Act on or prior to the Commencement Time and in accordance with Section 3(a) hereof, any other material required to be filed by the Company pursuant to Rule 433(d) under the 1933 Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission and no notice of objection of the Commission to the use of the form of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the 1933 Act shall have been received; no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the reasonable satisfaction of the Agents.

---

(b) On every date specified in Section 3(k) hereof and on such other dates as reasonably requested by the Agents, Goodwin Procter LLP, counsel for the Agents, shall have furnished to the Agents such written opinion or opinions, dated as of such date, with respect to such matters as the Agents may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters.

(c) On every date specified in Section 3(l) hereof and on such other dates as reasonably requested by the Agents, each of the U.S. Company Counsel and the Canadian Company Counsel, shall have furnished to the Agents a written opinion or opinions, dated as of such date, in form and substance reasonably satisfactory to the Agents.

(d) At the dates specified in Section 3(m) hereof and on such other dates as reasonably requested by the Agents, the independent accountants of the Company who have certified the financial statements of the Company and its subsidiaries included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus shall have furnished to the Agents a letter dated as of the date of delivery thereof and addressed to the Agents in form and substance reasonably satisfactory to the Agents, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements of the Company and its subsidiaries included or incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus.

(e) [Reserved].

(f) Prior to the Commencement Time, the Agents shall have received a certificate, signed on behalf of the Company by its corporate secretary, in form and substance satisfactory to the Agents.

(g) (i) Upon Commencement Time and on such other dates as reasonably requested by Agents, the Company will furnish or cause to be furnished promptly to the Agents a certificate of an officer in a form satisfactory to the Agents stating the minimum price for the sale of such Shares pursuant to this Agreement and the maximum number of Shares that may be issued and sold pursuant to this Agreement or, alternatively, maximum gross proceeds from such sales, as authorized from time to time by the Company's board of directors or a duly authorized committee thereof or, in connection with any amendment, revision or modification of such minimum price or maximum Share number or amount, a new certificate with respect thereto and (ii) on each date specified in Section 3(k) and on such other dates as reasonably requested by Agents, the Agents shall have received a certificate of executive officers of the Company, one of whom shall be the Chief Financial Officer, Chief Accounting Officer, Treasurer, or Executive Vice President in the area of capital markets and investments, dated as of the date thereof, to the effect that (A) there has been no Material Adverse Effect since the date as of which information is given in the General Disclosure Package and the Prospectus as then amended or supplemented, (B) the representations and warranties in Section 1 hereof are true and correct as of such date and (C) the Company has complied with all of the agreements entered into in connection with the transaction contemplated herein and satisfied all conditions on its part to be performed or satisfied.

---

(h) Since the date of the latest audited financial statements then included or incorporated by reference in the General Disclosure Package and the Prospectus, no Material Adverse Effect shall have occurred.

(i) The Company shall have complied with the provisions of Section 3(c) hereof with respect to the timely furnishing of prospectuses.

(j) On or around each date specified in Section 3(q) and on such dates as reasonably requested by the Agents, the Company shall have conducted due diligence sessions, in form and substance satisfactory to the Agents.

(k) All filings with the Commission required by Rule 424 under the 1933 Act to have been filed by each Applicable Time or related Settlement Date shall have been made within the applicable time period prescribed for such filing by Rule 424 (without reliance on Rule 424(b)(8)).

(l) The Shares shall be approved for listing or quotation on the Nasdaq prior to any Settlement Date.

(m) Prior to any Settlement Date, the Company shall have furnished to the Agents such further information, documents or certificates as the Agents may reasonably request.

#### Section 7. Indemnification.

(a) The Company will indemnify and hold harmless the Agents against any losses, claims, damages or liabilities, joint or several, to which the Agents may become subject, under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Base Prospectus, the Prospectus Supplement or the Prospectus or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the 1933 Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Agents for any legal or other expenses reasonably incurred by the Agents in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however,* that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Base Prospectus, the Prospectus Supplement or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in strict conformity with written information furnished to the Company by the Agents expressly for use therein.

(b) Each Agent, severally but not jointly, will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Base Prospectus, the Prospectus Supplement or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Base Prospectus, the Prospectus Supplement or the Prospectus, or any such amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in strict conformity with written information furnished to the Company by such Agent expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

---

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent: (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and (ii) does not include an admission of fault.

(d) If the indemnification provided for in this Section 7 is unavailable to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party (with respect to subsection (b), severally but not jointly) shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and an Agent on the other from the offering of the Shares to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and such Agent on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Agent on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total commissions received by such Agent. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Agent on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Agents agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), an Agent shall not be required to contribute any amount in excess of the amount by which the total compensation received by such Agent with respect to sales of the Shares sold by it to the public exceeds the amount of any damages which such Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

---

(e) The obligations of the Company under this Section 7 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to the directors, officers, employees, attorneys and agents of each Agent and to each person, if any, who controls each Agent within the meaning of the 1933 Act and each broker dealer affiliate of each Agent; and the obligations of the Agents under this Section 7 shall be in addition to any liability which the Agents may otherwise have and shall extend, upon the same terms and conditions, to each director, officer, employee, attorney and agent of the Company and to each person, if any, who controls the Company within the meaning of the 1933 Act.

Section 8. Representations, Warranties and Agreements to Survive Delivery. (c) Unless earlier terminated pursuant to this Section 10, this Agreement shall automatically terminate upon the issuance and sale of all of the Shares by the Agents on the terms and subject to the conditions set forth herein except any termination pursuant to this clause (c) shall in all cases be deemed to provide that Section 1, Section 5, Section 7, Section 8, Section 14 and Section 15 of this Agreement shall remain in full force and effect.

(d) This Agreement shall remain in full force and effect until and unless terminated pursuant to Section 10(a), (b) or (c) above or otherwise by mutual agreement of the parties; provided that any such termination by mutual agreement or pursuant to this clause (d) shall in all cases be deemed to provide that Section 1, Section 5, Section 7, Section 8, Section 14 and Section 15 of this Agreement shall remain in full force and effect.
